ORDER:

The Forest Grievances Enquiry Committee, South Kanara, constituted by this Government in the G.O. cited has made the following recommendations under the head "co-operation":--

(1) One more Co-operative Sub-Registrar may be appointed for work connected with land mortgage banks in the South Kanara district;

(2) Grain banks at Belthangady, Indabettu, Ujre, Sampaje and Mudradi may be revived and some ways and means be found to get them to work within the ambit of existing controls;

(3) The Co-operative and the Harijan Welfare Departments should join hands together and in conjunction with teachers in labour schools, improve the conditions of the existing Harijan societies and start new societies, at least wherever a labour school is at present working.

(4) The following difficulties which hamper the working of Land Mortgage Banks may be removed by legislation or otherwise;-

(a) The Madras Co-operative Central Land Mortgage Bank Limited, does not advance loans on lands leased out on Mulgeni on the ground that the Pattadar-owners do not have possession of such lands and that in the case of non-payment of instalments, the Bank cannot effect recovery by distraining and selling the produce of the mortgaged lands, including standing crops.

(b) Land Mortgage Banks do not advance loans on the security of lands subject to periodical petty charges for Devata Viniyogams or maintenance; and

(c) The financing of families governed by Aliyasanthana Law for the discharge of their antecedent debts is found almost impossible.

The Government have considered these recommendations in consultation with the Registrar of Co-operative Societies and proceed to pass the following orders:-

p.t.o.

2. Recommendation (1): Sanction is accorded to the employment temporarily for a period of one year from the date of appointment of one additional Co-operative Sub-Registrar on Rs.150-5-200 p.m. and one peon on Rs.18-25 p.m. for work connected with Land Mortgage Banks in the South Kanara and the Malabar Districts. One half of the cost (Including T.A. and contingencies) of the Co-operative Sub-Registrar and the peon should be recovered from the Madras Co-operative Central Land Mortgage Bank Limited, and the other half will be met by the Government in accordance with the orders contained in G.O.No.1534 (Ms.). Development, dated 17.4.1950.

The expenditure is debitable to the relevant sub-head under "42. Co-operation".

3. Recommendation (2): As the grain banks cannot be revived as long as the controls last, the Government consider that no action is necessary on this recommendation for the present.

4. Recommendation (3): The Registrar of Co-operative Societies states that he has called for definite proposals from the Deputy Registrars and that he will come up to the Government later, if necessary. The Registrar is requested to consult the Director of Harijan Welfare also, if and when these proposals are submitted to the Government.

5. Recommendation (4): Orders have been issued in paragraphs 7, 8, and 10 of G.O.Ms.No.5270, Development, dated 31.10.49. Section 32 of the Land Mortgage Banks Act, 1934, has also been since amended by Madras Act IX of 1950, so as to extend the special provision contained in it to families governed by the Aliyasanthana Law.
